OTHERS
Also, schools ask us about information and material to do workshops and how to download the general video. To them we recommend the best educational and support material that is available in our website. If the program is important we also send them T-shirts, hats, etc. Unfortunately, even though we ask for information and data, usually they rarely send to us.

Some of these schools are:
- IES “La Merced” de Valladolid (3 teachers and 150 students) 2015
- IES “La Merced” de Valladolid (2 teachers and 70 students). 2016
- IES Las viñas de Manilva (Málaga). Activities the Day of Recycling. 2015
- Colegio Madre de Dios (Madrid). 2014
- Colegio Juan de Valdés (Madrid). 2014
- Colegio Padre Manyanet (Madrid) 2014
- CATFA FORMACIÓN (Mejorada del Campo, Madrid) 2014
- Sagrada Familia (Burgos) 2013-2016
- Etc., etc.
MORE INFORMATION ABOUT TRAINING THE TRAINERS PROGRAM AND WORKSHOPS

In ARPAL website (www.aluminio.org) there is a section dedicated to this subject (Recursos Educativos) where volunteers, teachers and monitors can find support material for their workshops. Also, in the videos section are very useful ones for these activities.
